Paper. Ink. A little magic.

No sign-in or purchase is required to review the app.

The collection and drawing videos are available offline.

27 Club

Open Collection > 27 Club, select a cover and choose Watch the drawing.

Use the notebook AR option to see the shorter timelapse on the cover.

Print the four cover references at their supplied 90 mm width.

Solar System

Open Solar System, choose a planet and See it above your card.

Show the whole black square in good light.

Each supplied black square is 70 mm across when printed at actual size.

The Sun card shows the Sun with Jupiter at a separate comparison scale.

Camera AR requires a real AR-capable iPhone or iPad.

Allow camera access when asked. Frames remain on device.

Printing

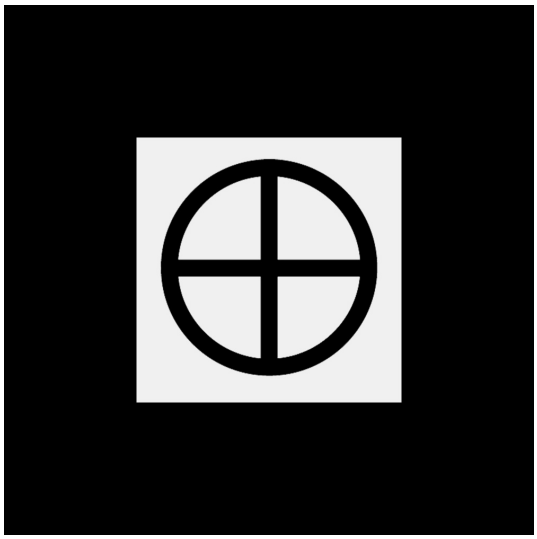

Choose actual size / 100%, without fit-to-page scaling.

The horizontal calibration line below must measure 70 mm.

70 mm

Earth

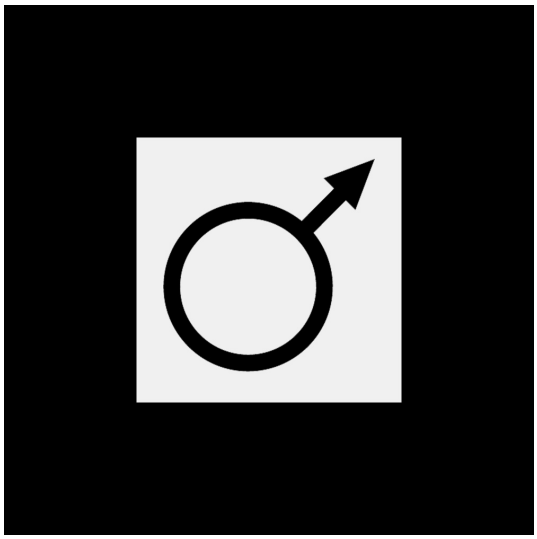

Solar System symbol card. Black square: 70 mm across.
